- It's nearly June and Hampton Heights is looking great! With the temperatures getting hotter, it's even more important that we water our newly planted trees! As a reminder, these trees need **deep watering up to twice weekly** to become well established.
- There are no Hampton Heights properties being discussed at the Board of Architectural Design and Historic Review (HARB) Meeting scheduled for Thursday, June 8, 2023, at 5:30 PM in the City Hall Council Chambers.

The sidewalk art project is finally underway! Local artist Jeremy Kemp has started our Hampton Heights sidewalk mural in front of Willow Oaks Park. We couldn't be happier to bring this grant-funded public art project into our neighborhood.

Thanks to neighbors who took advantage of the Neighborhood Tool Shed event to borrow rakes, weed eaters, hedge trimmers, and pressure washers to keep our neighborhood beautiful. If you missed the event, all city residents can still borrow tools! Check out the info here: <https://www.cityofspartanburg.org/207/Neighborhood-Tool-Shed>
